**MOUNTAIN / Resort FACTS:** Jackson Hole offers two complete ski areas in one —Rendezvous and ApresVous. Both have fantastic intermediate and advanced / expert terrain for the skier and snowboarder looking for a challenge. Only 10% of these vast areas are set aside for the beginner. But that's not to say you can't take lessons and soon be on the intermediate trails —many a local started out that way. Another nearby Mtn., Grand Targhee has mostly intermediate runs and has what the locals call "Champagne Powder". A true rustic western and Cowboy town offers a nearby elk refuge where the tour can be done on a sleigh ride. The famous Cowboy Bar offers a menu of the best steaks in the Old West. Snowmobiling is in its prime out here in the Grand Tetons and around the Snake River. So, saddle up and come join us for a week of exciting fun and if you don't ski, that's okay too because there's plenty to keep you busy.

**LODGING:** You will stay at the 49'r Hotel. There are 6 Hotel rooms and 7 Studio Suites reserved. Hotel rooms have 2 queen beds and the studio suites are larger with a sofa sleeper included. All units have tub/ shower combo, coffee maker, hair dryers, and cable TV. The studio suites have small refer, microwave, & wet bar . These are mid-range accommodations at a real value located near the center of this western town. City bus runs to town and ski buses run to the slopes on a regular schedule. Large hot tub and common laundry facilities.
